It has ample and convenient arrangements within, containing, besides other necessary rooms, a fine chapel 80x50 and accommodations for about eighty boarders.

FORT WAYNE contains 20,000 inhabitants, and has a beautiful situation at the junction of the Saint Mary and Saint Joseph rivers.

The business enterprise and moral culture of its people are proverbial. Its several railroads make it accessible from every point.

The Executive Committee has arranged the following programme for Wednesday, June 19th, at 3 P. M. A public Anniversary, at the College Hall, to consist of:

On the following morning, at 8 o'clock, the Association will hold its Annual Business Meeting in the Parlor, for election, and the maturing of arrangements for the next Anniversary.

It is earnestly urged that every member of the Alumni Association be present at the June Anniversary. Your Alma Mater has again started with unusual prosperity, and will, no doubt, execute its noble mission. Additional members are now being added to our ranks, which will enhance our pride in the continued excellence of the institution which honored us. We trust its future may be blest even more abundantly than its past.

Of the fifty-two of our number, nine "Rest from labor," having entered into life, there to learn, and graduate in the school of God's love. One, the noble James R. Smith, Class of '57, died for his country in the battle of Pea Ridge. Of the forty-three who survive, Thirty-four have companions of destiny, sharing life's cup. Providence has called them into distant fields where the harvest of life is white. From the Atlantic to the Pacific, in at least nine States and Territories, our numbers have joined in the ranks of earnest workers.

Let us be true to the pure instructions of Fort Wayne College, and thus invite into our ranks the younger brothers and sisters who now with holy zeal thirst for knowledge.
